BOLSHEVIKI ARMY WIPED OUT BY POLES

Vast Supplies and 80,000 Prisoners Taken, While But Few Elements Escape.

Paris, Aug. 25.—The destruction of the BolsheviKI armies may now be considered complete, according to advices received here. Of the host which swept down on Warsaw, nothing is left but 30,000 fugitives. The Poles have taken 80,000 prisoners thus far, but what is more important they have captured great quantities of guns and materials.

It is considered probable that the soviets employed all their available resources, and in their present condition Russian industries will take a long time to replace them. Consequently if the soviets are able to find effectives with which to restore the fortunes of their arms, lack of equipment will make them without military value.

McCURRY'S POLANDS SELL AT FAIR PRICES

Chas. McCurry's sale of Registered Poland China hogs held at Wheaton last Wednesday attracted a good crowd of buyers and sold at a fair price.

Thirty-six head sold for a total of \$2,396 making an average of \$66.55. The bred sows and bred and open gilts for a good average but a number of late pigs cut down the general average considerably. The top of the sale was \$125.

This sale has done more than any other one thing perhaps to stimulate local interest in thoroughbred Poland Chinas. A little of the history connected with McCurry's Poland China farm was related at the sale by Manager Dr. L. D. Freeman and it may be of interest to those who did not attend.

Seventeen months ago McCurry bought three registered Poland China sows and took them to his farm on Shoal creek which is hardly an average of the Shoal creek farms. Since that time he has sold between \$3,500 and \$4,000 worth of hogs and has 50 good head in reserve on the farm. Of course there is nothing remarkable in the achievement; in fact it is nothing more than hundreds of other farmers can expect, but it is considerably more than he would have made trying to produce grain on the same farm.—Wheaton Journal.

ANTI-SUFF FORCES RECEIVE SETBACK

Judge Refuses Order To Delay Certification—New Attack is Planned.

Washington, Aug. 25.—Anti-suffrage forces receive another setback today when Justice Siddons of the District of Columbia supreme court refused to issue a "show cause" order against Secretary of State Colby, preliminary to the issuance of an injunction to restrain that official from proclaiming the Nineteenth amendment a law of the land. The order would have required Mr. Colby to show cause why the injunction should not be issued. The action was brought by Charles S. Fairchilds, an official of the American Constitutional league, on behalf of himself and the organization.

No further effort would be made to prevent the issuance of the proclamation, Alfred D. Smith, attorney for Mr. Fairchilds, said.

The officials certification of Tennessee's ratification of the amendment was expected to arrive from Nashville tonight, and Secretary Colby indicated that he would issue the proclamation as soon as he received Governor Roberts' certification.

BARRY COUNTY SUNDAY SCHOOL ASSOCIATION

The Barry County Sunday School convention was in several respects the best yet. Miss Lottie May Bose who has just been employed as State Assistant, Young Peoples Division Superintendent and H. W. Becker State Adult Superintendent made a very favorable impression and gave many interesting facts and practical suggestions.

Those who gave their experience show that greater interest is being taken in Sunday school work.

Barry County has perhaps more than doubled its units of credit. At the Kansas City state convention Barry County was awarded twenty-six units. Mr. Becker assured us of at least fifty. There are good prospects of being awarded ten more. Last year thirty-eight delegates registered. This year forty-two. Last year \$100.00 were pledged by fifteen Sunday schools and three organized classes. Last year the individual donations amounted to \$28.60. This year \$55.20.

A large per cent of the work done in the county the past year has been under unusually unfavorable conditions yet greater progress has been made in the past year than in any previous one.

The county officers for the coming year are: President, F. A. Cornell, Monett; vice president, O. E. Corl, Monett; Secretary-Treasurer, Harold J. Harper, Purdy, Route 4; Superintendent of the Childrens Division, Mrs. A. E. Parsons, Monett; Superintendent of the Young Peoples Division, Mrs. Wm. Gray Monett; Superintendent of the Adult Division, E. N. Meador, Cassville; Superintendent of the Administration Division, Mrs. P. E. Horine, Cassville.

All Sunday school workers are requested to write, phone or visit any of the above officers for any assistance they may be in need of.
